IEEE Meeting Minutes

3TR4 Kits

- Do not sell final kit

Milling

- The mill is out of service at the moment. We are working on an alternative to cutting the boards.

Electronics Meetup

- If interested in listening to a lecturer from a control/instrumentation company and discussing with other engineers and students about current projects, we will be carpooling to the event.

MPC

- March 25th
- Please bring an idea for a challenge problem tomorrow (March 23rd) to assist with planning.

Field Trip

- Steam generator in Toronto
- Date not finalized, but looking at a point in the summer
- You will need steel-toe-boots

Sushi Night

- Friday April 7th
- August 8

KiCAD

- Wednesday March 29th and Wednesday April 5th
