

**Engineering for Kids Junior Summer Camps**  
<https://engineeringforkids.com/location/newmexico/camps>

*New...Supervised Lunch for students attending both morning and afternoon Sessions!*  
(See the Supervised Lunch tab under sign-up options)

**Junior Summer Camp: Engineering of Travel (Ages 4-6)**  
**June 9 – June 13, Monday through Friday, 10am-noon (Five Sessions) at the ABQ EFK Learning Center**

**The Engineering of Travel:** Guten Tag! Travel the world with Kelvin and our core of engineers as we explore the *Engineering of Travel*. Drive across the United States, build a boat to sail the Mediterranean, and fly to the Orient in this fun engineering experience. Join us on an amazing adventure as we engineer planes, cars, boats and rockets to travel the globe and beyond.

Day 1: Rolling Rambler and Roads  
Day 2: Over the River  
Day 3: Does Your Boat Float?  
Day 4: Whirling Wonders in Flight  
Day 5: 3-2-1...Blastoff to the Moon!

**Dates/Time:** 06/09 - 06/13 M-F 10am-12pm (Five Sessions)

**Ages:** 4-6

**Price:** \$150 per child

**Location & Contact Information:**

**American Square Shopping Center**

**Engineering for Kids Learning Center**

**3301 Menaul Blvd NE, Suite 10**

**Albuquerque, NM 87107**

**505.816.0215**

---

**Junior Summer Camp: Engineering of Pirates (Ages 4-6)**  
**June 9 – June 13, Monday through Friday, 1p.m.-3p.m. (Five Sessions) at the ABQ EFK Learning Center**

Arg Matey! Come join Kelvin's crew as we sail the ocean blue searching for buried treasure. Join us as students build their very own pirate ship, go fishing for treasure, and work together in Kelvin's crew to create a delicious treat that is more precious than gold. Hop aboard the Green Ghost and set sail as we explore *The Engineering of Pirates!*

Day 1: Does Your Boat Float?  
Day 2: Loading Cargo  
Day 3: Sailing Away  
Day 4: Goin' Fishin'  
Day 5: Diving for Treasure ~ Cartesian diver!

**Dates/Time:** 06/09 - 06/13 M-F 1pm-3pm (Five Sessions)

**Ages:** 4-6

**Price:** \$150 per child

**Location & Contact Information:**

**American Square Shopping Center**

**Engineering for Kids Learning Center**

**3301 Menaul Blvd NE, Suite 10**

**Albuquerque, NM 87107**

**505.816.0215**

**Junior Summer Camp: The Engineering of Power and Energy (Ages 4-6)  
June 23 – June 27, Monday through Friday, 10am-noon (Five Sessions) at the ABQ EFK  
Learning Center**

In the *Engineering of Power and Energy*, join us as we look at ways to get things moving...no batteries required. In this camp, students explore the foundational concepts of potential and kinetic energy by building their very own toys. Additionally, students will explore natural power and energy sources such as falling water and the sun. Get ready for a shock in this energetic and engaging engineering experience! In this camp, students explore marine, mechanical, and environmental engineering. Students learn about clean energy sources and how simple machines help make our lives easier.

Day 1 Introduction to Simple Machines

Day 2 Paddleboats & Waterwheels

Day 3 Solar Power

Day 4 Wind-Up Whirligig

Day 5 Boomerang Can

**Dates/Time:** 06/23 - 06/27 M-F 10am-12pm (Five Sessions)

**Ages:** 4-6

**Price:** \$150 per child

**Location & Contact Information:**

**American Square Shopping Center**

**Engineering for Kids Learning Center**

**3301 Menaul Blvd NE, Suite 10**

**Albuquerque, NM 87107**

**Junior Summer Camp: Engineering of Medieval Times (Ages 4-6)**

**Jun 23 – June 27, Monday through Friday, 1p.m.-3p.m. (Five Sessions) at the ABQ EFK Learning Center**

Do you have what it takes to defend your castle and maintain your family's honor? If so, then don your armor and draw your sword for The Engineering of Medieval Times. In this camp, students build their very own castle and then work to defend it by engineering canons and catapults. Become a knight and join us on the quest for glory and justice! Students will select a shape for their coat of arms and cut it out. At the end of each class, students will draw a picture of the design they created building on their coat of arms each day. At the end of camp, students will have a completed coat of arms to take home that shows off all of the challenges they've overcome.

- Day 1 Build a Castle
- Day 2 Crossing the Moat
- Day 3 Build a Boat
- Day 4 Catapulting Marshmallows
- Day 5 Celebrate Victory!

**Dates/Time:** 06/23 - 06/27 M-F 1pm-3pm (Five Sessions)

**Ages:** 4-6

**Price:** \$150 per child
