

# Agile at TaxACT®

**Cindy Bradley**

**TaxACT®**

Monday -11/9

Dinner at 6pm - Meeting at 7pm

Dublin City Pub

415 1st St SE, Cedar Rapids

Cedar Rapids-based **TaxACT** is a leading provider of affordable tax preparation solutions for individuals, business owners and tax professionals. TaxACT is consistently one of the top three most visited online tax preparation destinations in a market filled with much bigger competitors with considerably larger budgets.

Join us to hear Cindy Bradley, TaxACT Vice President of Business Intelligence and Internal Systems, discuss why the company has embarked on an Agile journey to help it maintain and grow its leadership position. Cindy will share how Agile is already helping several TaxACT teams operate more collaboratively and the added efficiencies the software development methodology is expected to provide company-wide.
