CALL FOR PACKAGE SPONSORS

17TH IEEE WORKSHOP ON CONTROL AND MODELING FOR POWER ELECTRONICS

COMPEL-TRONDHEIM 2016

January, 2016

Greetings

The IEEE Power Electronics Society is pleased to announce that the 17th IEEE Workshop on Control and Modeling for Power Electronics, COMPEL 2016 will meet June 27-30, 2016 at the Norwegian University of Science and Technology in Trondheim, Norway.

COMPEL provides an international forum that brings together researchers, engineers and students from academia, industry, and government for interactive discussions on the latest advances in modeling, simulation, analysis, and control of power electronic devices, circuits and systems of small and large scales, and by so doing widely contributes to the further development of the field.

Since its inauguration in 1988, the conference has been held 16 times; in 1990, 1992, 1994, 1996, 1998, 2000, 2002, 2004, 2006, 2008, 2010, 2012, 2013, 2014, and 2015; making COMPEL-Trondheim 2016 the 17th holding with 150 participants from around the world anticipated.

Taking this opportunity of the conference, we would like to offer COMPEL-Trondheim 2016 package sponsorship programs for related industries. Each package contains extensive logo exposure on the conference materials, official website and announcement slides in conference rooms.

COMPEL-Trondheim 2016 Official Website will be launched in July 2015, with submission of extended summary closing on February 27, 2016. We believe that it will be a perfect opportunity for you to disseminate your company profiles, exchanging latest information, and further promoting your products and services, to the researchers across the globe.

We would like to ask for your support and cooperation in order to make COMPEL-Trondheim 2016 successful with your understanding to the significance of this conference.
