

The State Texas Science and Engineering Fair

The State Texas Science and Engineering Fair is seeking your support and expertise as a Judge for our upcoming 2017 fair April 1, 2017 at the Henry B. Gonzalez Convention Center, Hall 3 between 9:00 am – 3:00 pm!

Please register Today at <https://www.txsef.org/participate/description/judge/> as we foster over 1,000 middle and high school students in the life and physical sciences!

Since 2009, 4 Texas students won the ultimate prize by achieving the Intel Young Scientist Award at the Intel international Science and Engineering Fair! And we Thank You for your support and contributions towards our efforts in keeping these young scientists and engineers engaged in these STEM Fields!

Best Regards,

Kai Kamaka, Director

Texas Science and Engineering Fair
