

6Jan2018

Dear Colleague,

Once again, it is time to request judges for both the Alamo Junior Academy of Science (AJAS) and the Alamo Regional Science and Engineering Fair (ARSEF). In previous years, this method of registering judges was very successful except for those with government/military e-mail accounts. Please register for either the AJAS, the ARSEF, or you can register for both at the same time. The Judges registration link is:

<https://docs.google.com/forms/d/1HkL-hXV7BspdVo4HoViWq8iRKZV-iduHz40zoONuU6M/viewform?embedded=true>

If you cannot access the link above, please try the ARASE website at <http://arase.org> under Judges or contact me at RFanick@swri.org. I will be happy to help you get registered. I will need your choices of category (Junior or Senior) and subject(s) that you want to judge. Please feel free to share this request and link with your colleagues. We need about 90 judges for AJAS and over 250 judges for ARSEF. Please consider being a judge.

If you no longer wish to be included on future e-mail messages, please let me know; and I will take you off of the e-mail list.

The AJAS will be held on Saturday, February 3, 2018 at Lee High School. Note: We will be starting a little earlier this year. The judging schedule for AJAS is:

SCHEDULE:
