

IEEE-USA 2018 Future Leaders Forum and interactive Career Expo

Please take note of the upcoming IEEE-USA's 2018 Future Leaders Forum and interactive Career Expo, July 26-28 in Austin.

This one-of-a-kind event provides attendees with interactive learning opportunities, entrepreneurial skills, and motivational speakers while taking them on a journey centered around our four themes: Lead, Empower, Adapt and Design.

This is a great opportunity to get involved and promote the event. A detailed program can be found at <https://futureleaders.ieeeusa.org/2018-program/>

A \$100 discount code can be applied towards registration fee – **Promotion code FLFR5100.**

Please circulate to your members.

We are also seeking [patrons](#). There are many ways that a company can take part of this event. A few ideas are list below and the overall Patron package is attached.
