

## “How do I give session feedback through the App?”

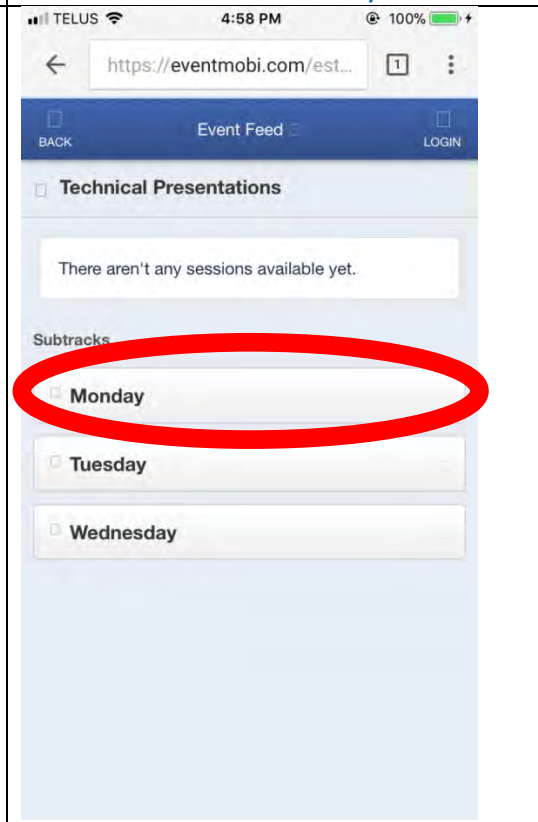

Step 1: Find the session you're in. To do this click on **WORKSHOP SCHEDULE**

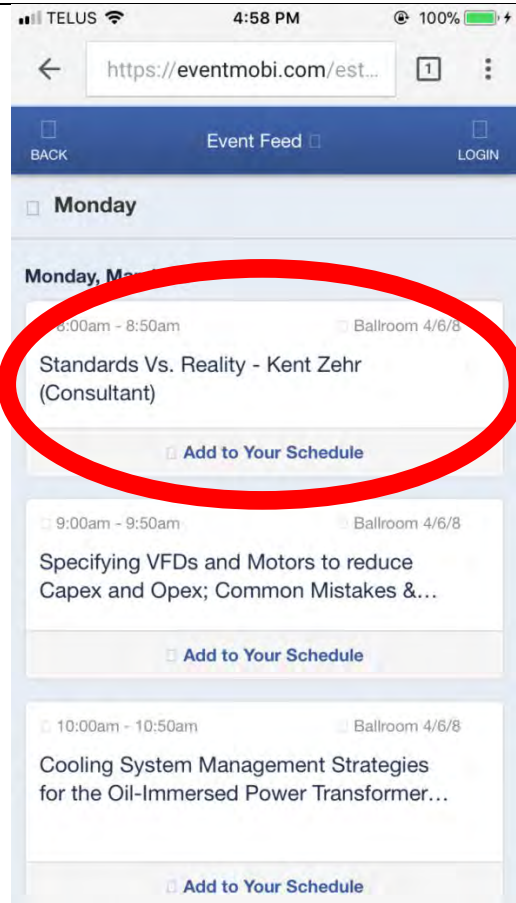

Step 2: Go to **Technical Presentations** or **Panel Discussion** depending where you are

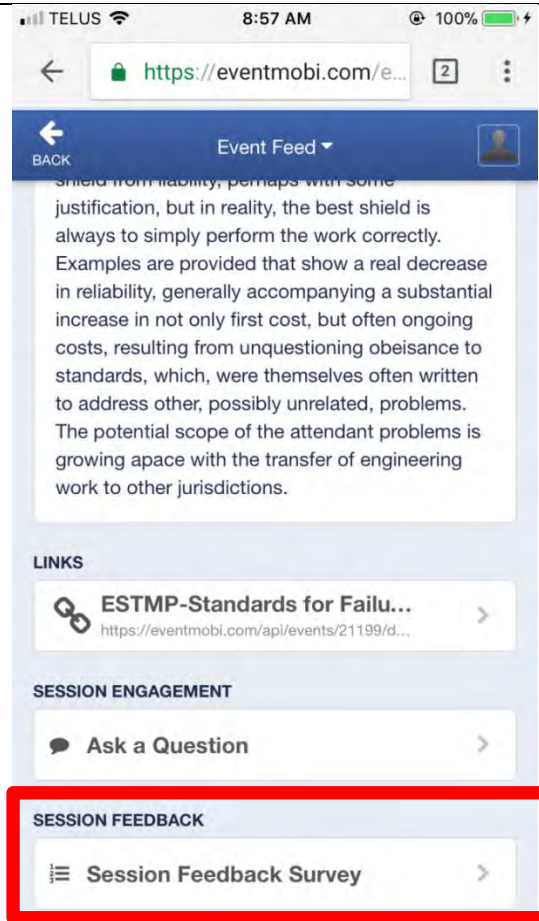

Step 3: Chose the day your session takes place. For example, click on **MONDAY** for the first day

Step 4: Select the Session you are in. For example, "Standards vs Reality by Kent Zehr". Click on it.

Step 5: Scroll down and click on Session Feedback

Step 6: Enter the code that the moderator provides you and click Submit after you're done the survey. Done!
