

IEEE Women In Engineering Hamilton Section

IEEE Women In Engineering (WIE) Hamilton Section is pleased to announce the seventh painting/colored drawing competition for children. This competition will be held with support of IEEE Hamilton Section.

ALL children will receive a gift and certification for participating.

- The Winner of each age category (under 7 and ages 8-13): a **\$75** gift certificate.
- The rest of participants: up to a **\$50** gift certificate (*depending on number of entries*).

Eligibility:

- 1- Parent/grandparent should be an IEEE member of Hamilton Section (not necessarily WIE member)
- 2- Children aged 13 and under
- 3- One painting/colored drawing per one child

Topics for Painting/Colored Drawing (one topic only):

In appreciation of **Canadian Lady, Professor Donna Strickland, the winner of 2018 Noble Prize:**

- The laser application on today's life
- Laser: past, present, future
- Canadians who have won Noble Prize

Deadline:

15 November 2018

Do not miss this fun opportunity to learn, enjoy and create!

- Paintings/colored drawings will be judged in two age groups: under 7 and ages 8-13.
- Artworks may be displayed online, identified by first name only.

Please email the following information to wie.hamilton@ieee.org:

- 1- The painting/colored drawing (in pdf, jpeg, jpe, png, or gif formats)
- 2- Name and age group of your child/grandchild and the name of parent/grandparent IEEE member
- 3- Mailing address for child's participation gift

IEEE WIE welcomes new members. We look forward to hearing from you.
