**Call for Papers**  
**2015, 51st Industrial & Commercial Power Systems Technical Conference**  
**2015 I&CPS, Calgary, AB, Canada, May 5-8, 2015**

The IEEE Industrial & Commercial Power Systems Department invites you to submit papers for presentation at the 2015 51st Annual I&CPS Conference which will be held at the Calgary Marriott Downtown Hotel.

**Subject Matter:**

The general scope of the conference is to provide practical information about the planning, design, construction, operation and analysis of industrial and commercial power systems. Some examples of additional topics for this year are:

Renewable Energy Systems  
Battery Storage for Energy Systems

Health Care Facilities Power Supply System  
Industrial Systems Interconnections with Utilities

Some examples of the topics annually presented for this conference are:

Energy Systems  
Power Quality and Reliability  
Power System Design and Analysis  
Reliability of Operations and Maintenance  
Emergency and Standby Power Systems

Distributed Generation  
Electrical Safety and Forensics  
Protection of Low Voltage Systems  
Protection of Medium Voltage Systems

Please visit the IEEE Xplore website at <http://ieeexplore.ieee.org/Xplore/guesthome.jspt> to view topics and authors from previous conferences. Submission and Contact Information

Prospective authors should prepare a complete manuscript of the final paper draft, with title and names, affiliations, addresses, and phone numbers of all co-authors. Submit Final draft by November 15, 2014, to:
