

Scratch Day at
Escola Pioneira,
São Paulo, Brazil

14 May, 2016

Little ones busy at the their computer terminals

Soon it is realized that rapt attention yields results

Objects can be moved around

Take a picture – you have done it!

Wow – computer programming made easy

Parents appreciating the work of their kids

Yes, give them an early start

A typical computer class-play room at Pioneira

More of computer class-play room

**IEEE Senior Member Nelson Segoshi with Irma A. Hiray,
Director General of Pioneira and Teacher Edson S. Moraes of
Pioneira School**

Dr. Amitava Dutta-Roy, NY Monitor editor with Elaine Rocha, Coordinator of Computer Education and Edson S. Moares, teacher of computer programming at Pioneira
