Subject: Final Invite - Become LEED Accredited - Philly - Feb. 17 - To distribute
Date: February 8, 2018 at 2:54:13 PM EST
To: <psilverberg3@comcast.net>

Hello Peter Silverberg,

I hope you had a great week! I am returning to host a few of LEED workshops in Pennsylvania to prepare you and your colleagues for changes in the new version 4 of LEED and offer CE/CMP hours!

Sustainability cannot be left out of the equation and LEED certification is the premier designation to stay current and marketable in the built-environment. **I was hoping you could send a final reminder to members in the IEEE Philadelphia Section** about this great opportunity to get involved in sustainability through LEED Training coming up in **next weekend!**

Please CC me on the emails you send out.

Subject: Become LEED Accredited! - Invitation to IEEE Philadelphia Section – for distribution Philadelphia

Pittsburgh

When: March 26th 2018 – 6:00PM to 10:00 PM

Where: Carnegie Mellon University – Doherty Hall - Room 1211

Registration: <https://leadinggreen.com/pittsburgh/>

LEED (Leadership in Energy and Environmental Design) is simply a sustainability scorecard for green buildings. The LEED Green Associate is the only professional designation to show employers and clients you have certified knowledge in the field

To date, this course and its materials have proven to be instrumental in helping over 8000 students pass their respective exam at a 100% pass rate. This course is offered at a quarter of the price and time as the competition and is geared at allowing students to graduate with letters after their name!

A new LEED rating system (v4) was introduced last month and this training course is one of the few that has been updated to teach the current rating system.

If you are worried about your busy schedule, fear not, as the course is entirely recorded and you can watch the part that you cannot attend or take the whole course online.

This professional designation never expires, and you will never have to retest if you pass now!

Early-Bird Cost: \$300 (\$200 for full time students)

To register for the class please visit: <https://leadinggreen.com/philly>
