

Regional Outstanding Meetings Program (ROMP)

Parviz Famouri
Region 2
Director-Elect

January 2011

“What can the Region and the Sections do to encourage and inspire better support of the chapters ?”

**By identifying and sharing
chapters best attended, most
exciting meetings Regionally**

Proposed procedure

- ✓ Identify recent outstanding, notable and of high interest meetings in section and/or chapters (perhaps past year)
- ✓ Region will compile the list with more info from L31s
- ✓ Ask speakers if they are willing to travel within the region to organize the same meeting for other sections/chapters
- ✓ Make the list available to all sections/chapters within the Region
- ✓ Region will facilitate scheduling of the meetings
- ✓ Financial model for expenditure either 50-50 between Region and sections/chapters or similar model to DL program

AND SUPPORT!!**
