
Region 2 PACE – 2005 - 2006

William P. Walsh

PACE Coordinator, Region 2

609-289-6058

w.walsh@ieee.org

PACE Projects - 2005

- 11 Sections proposed and conducted PACE Projects:
 - Erie, Columbus (2), NOVA (4), Pittsburgh, Southern New Jersey (2), Philadelphia, Washington (4), Baltimore (2), Central PA, Youngstown, NOVA/Wash.
 - Projects include both MPACs and SPACs
 - All \$11,771 of R2 PACE Budget was allocated.
 - \$2,000 allocation from IEEE-USA used to support MPACs in Region 2
-

PACE Projects - 2005

- ❑ MPAC Seminars/Conferences – Erie, Baltimore, Northern Va. (w/PACE National ExComm),
 - ❑ Sponsorship of Dublin (Ohio) Robotics Team
 - ❑ Pre-College Activities in Northern Va.
 - ❑ Continuing Education Courses
 - ❑ Student Activities at the College Level
 - ❑ SPACs – Phila., Wash., Central PA, Columbus, Youngstown
 - ❑ Robotics Car Race for High School Students
 - ❑ Middle School Science Lab Project
 - ❑ Training for New Chapter and Section Officers
 - ❑ High School Science Fair Awards in Maryland
 - ❑ University of Maryland Solar Home Project
 - ❑ Baltimore Robot Project
 - ❑ Ocean City NJ HS Astronomy Project
 - ❑ NOVA/Wash. Networking Event
-

PACE Projects - 2006

- \$11,804.87 is the PACE Budget for this year.
 - Do not think that IEEE USA will be providing the extra \$2K this year, as in 2005.
 - Project proposals can be turned in at any time – the earlier, the better.
 - Goals for 2006
 - More Sections participating
 - Multi-section activities
-

Member Professional Activities Conference (MPAC)

- Engineers need to communicate directly w/ customers and suppliers as part of the value-added process
 - Focus on improving/complimenting Engineer's professional awareness in industry, engineering environment
 - Funding is available as PACE Project
 - Typically planned as a Section project, Region 2 is also promoting and planning Region-level and multi-section MPAC activities
 - MPAC for Women in Engineering
-

Leadership Conference - 2006

- St. Louis, MO.
 - 3 - 6 March 2005
 - Region 2 Sections are typically well represented – would like to see as many Sections present as possible
 - Key presentations/tracks to be offered:
 - Government Relations
 - MPAC Programs
 - Local Programs Best Practices to Enhance your Local Members' Competitiveness
 - How To Keep Up in a Global Economy Using Professional Development Skills
 - Registration Deadline has been extended to February 6th
-
