

IEEE Region 2 Conference Report

February 2014

Bob Rassa

**R2 Conference Coordinator
President, IEEE Systems Council**

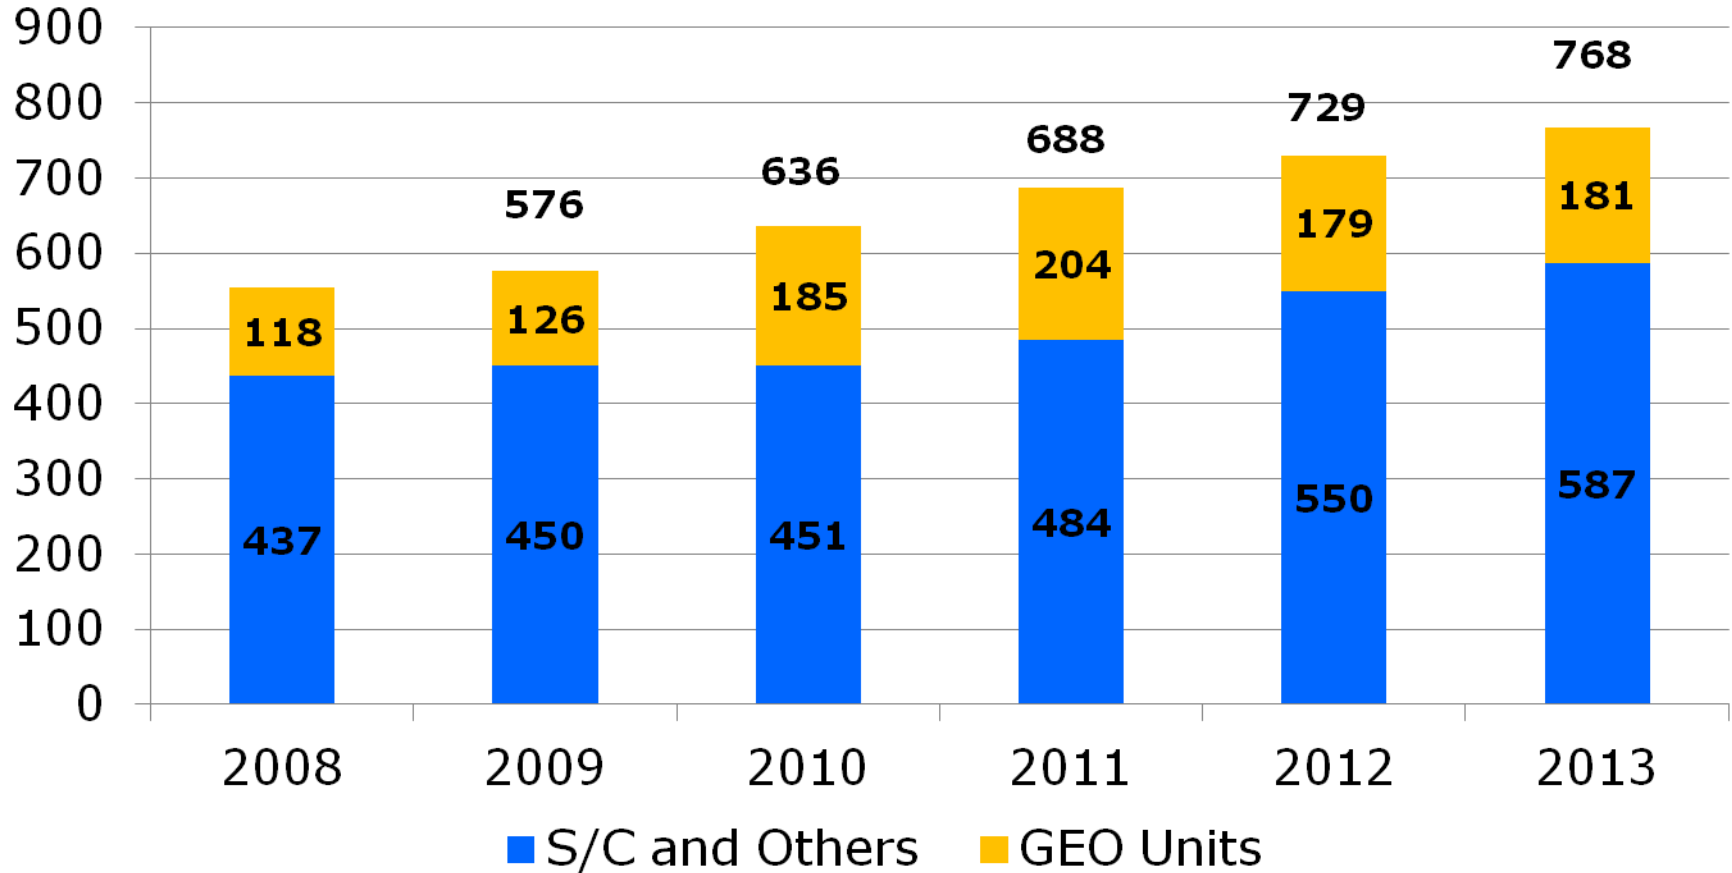

IEEE Conference Statistics

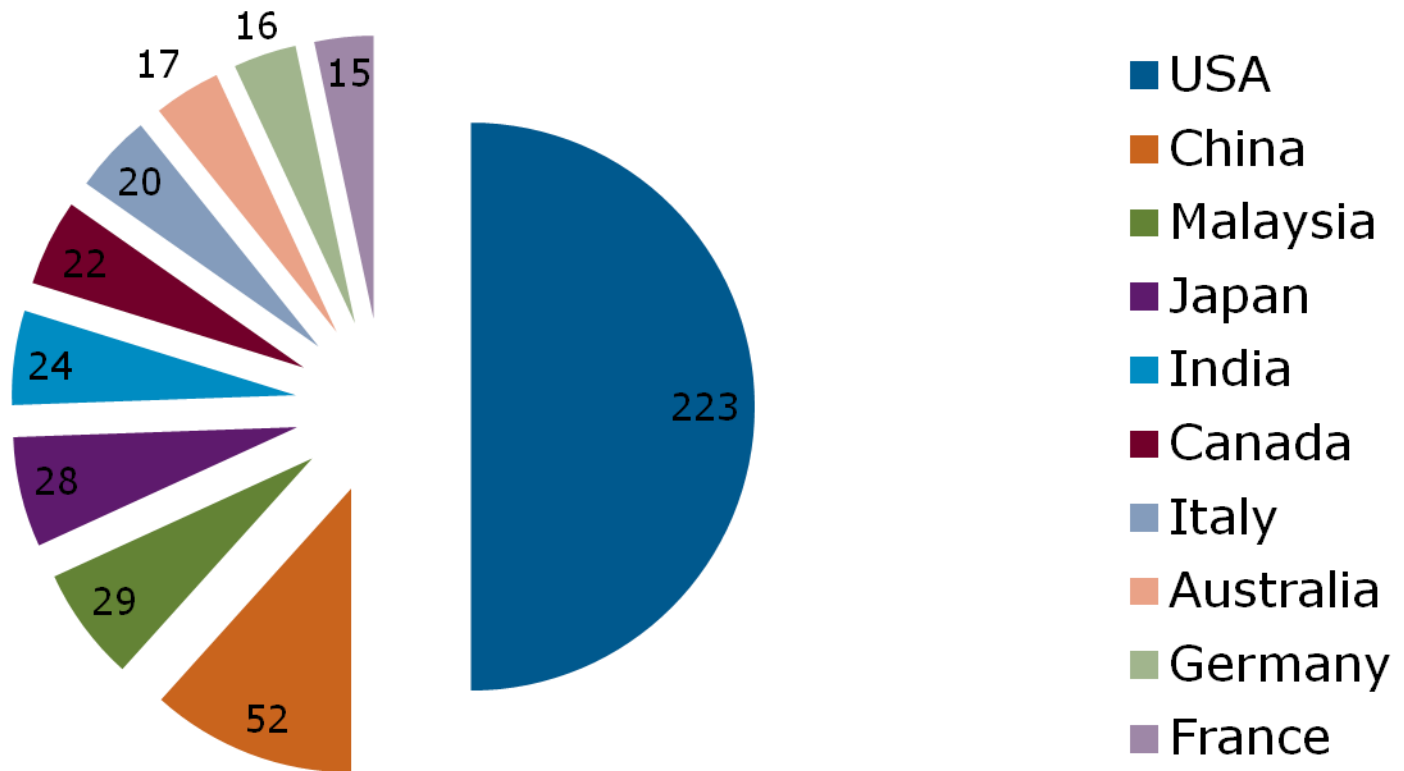

■ Financial S/C and Others
 ■ Financial GEO Units
 ■ Technical S/C and Others
 ■ Technical GEO Units

IEEE Conference Statistics

Financially Sponsored, TAB vs MGA

IEEE Financially Sponsored Conferences by Country

R2 Conference Opportunities

- **R2 Director is notified of all S/C Conferences being held in R2**
 - Notification occurs when Conference Information Form is filed
- **This provides opportunity for Sections to offer assistance**
 - For a small share of conference revenue
 - Sections can assist in publicizing conference to members
 - Sections can assist in local planning
- **Would provide opportunity for Sections to engage in the subject matter**
 - Could benefit Section and Chapter activities

R2 Conference Opportunities - 2

- **Would R2 Sections be interested in initiating a conference/symposia/workshop series in Systems Engineering for Complex Systems**
- **Focus on educational aspects pursuant to university curricula**
- **As of 2011, there were only 75+ US colleges offering serious curricula in systems engineering**
- **Systems Engineering is a much-needed field of study**
- **SE for complex systems is not well understood by new engineers**
- **Such a Workshop series might benefit all of IEEE and our industry and academic constituents**
 - **Conference committee could readily be formed within R2**
