Current Education within Your Section IEEE Tools

ROMP - Region 2 Outstanding Meetings

Distinguished Lecturer Program (DLP)

IEEE Continuing Education Products

ROMP; Region2 Outstanding Meeting Program

Features:

Speakers relatively close (no travel problems)

Speakers usually supported by an organization/company (free)

Speakers vetted by section experience

IEEE Distinguished Lecturer Program

Provide Speaker to spread knowledge within chapters and technical groups. Supported by sponsoring society to section chapters.

Each society has a web page with their program. These pages are much improved over past years.

Start on this early; it takes calendar time to get the event organized and arrange support.

IEEE CE Programs

Programs
