

IEEE Region 2 Spring Meeting

Employment and Career Services & Member Services

Region2 Report

By Anna Romaniuk

April 22, 2017

IEEE – USA Employment and Career Services Committee (ECSC) - Mission

▶ Mission

- IEEE-USA's Employment and Career Services Committee is charged to develop and dissemination products and services that assist IEEE members to sustain their professional development, career satisfaction, and life-long employability.

▶ Job Posting Alerts

- Facebook – <https://www.facebook.com/ieeeusa/>
- Instagram account - <https://www.instagram.com/ieeeusa/?hl=en>.

IEEE – USA Employment and Career Services Committee (ECSC) - Functions

- ▶ **Specific functions of ECSC committee include:**
 - Improving current employment, career and professional development products and services.
 - Assisting local sections located in Regions 1-6 in providing assistance and information to unemployed members;
 - Providing Rapid Response Team Workshops for recently laid off employees and to develop workshops and seminars that will empower engineers in continuously changing career and employment issues;
 - Using various feedback mechanisms, such as surveys, to determine the value of current services to IEEE-USA members and to determine what additional services and programs are needed and practical.
 - Conducting Salary Surveys and providing salary information to members
 - Increasing the awareness of the members on the need for lifelong learning, and developing effective materials and presentations to enhance employers' awareness that encouraging lifelong individual continuing education is in their best interests.
 - Studying and communicating successful career development strategies for engineers

IEEE-USA Employment and Career Services Committee – Meetings

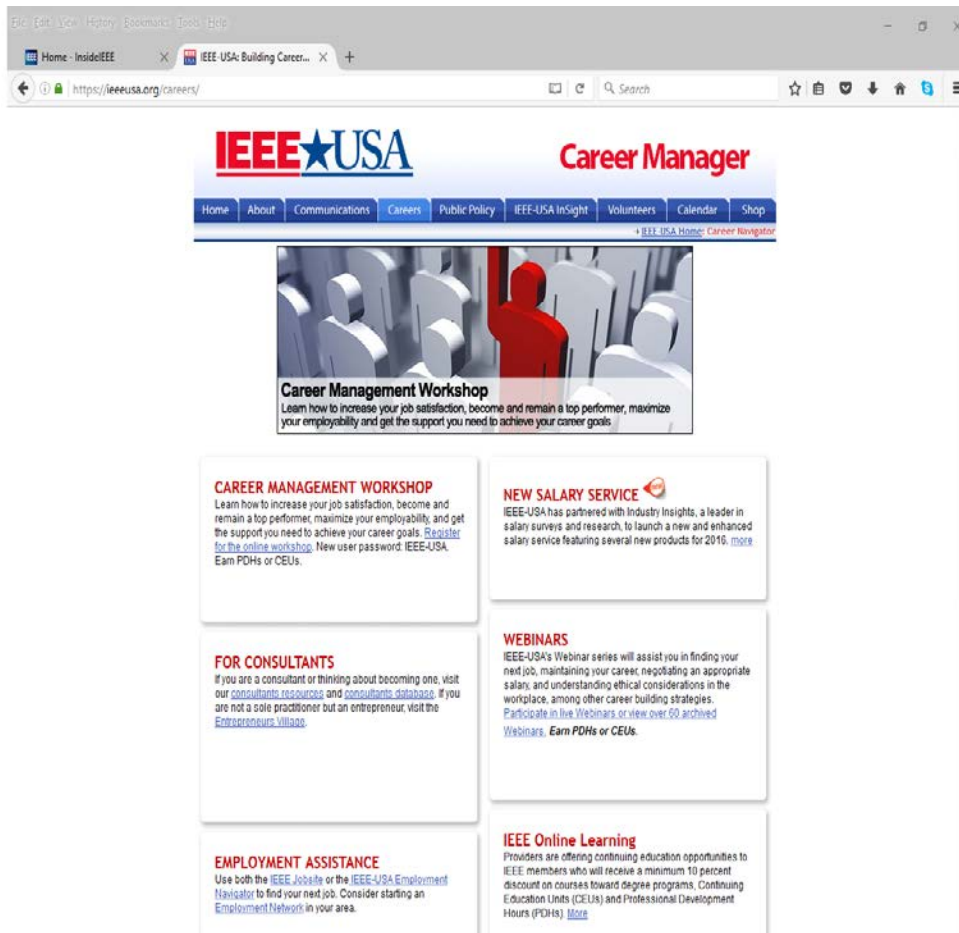

- ▶ November 12, 2016 meeting, Arizona
- ▶ Committee discussed:

IEEE JobSite

- ▶ Post Resume
- ▶ Employer Search
- ▶ Job Posting Alerts

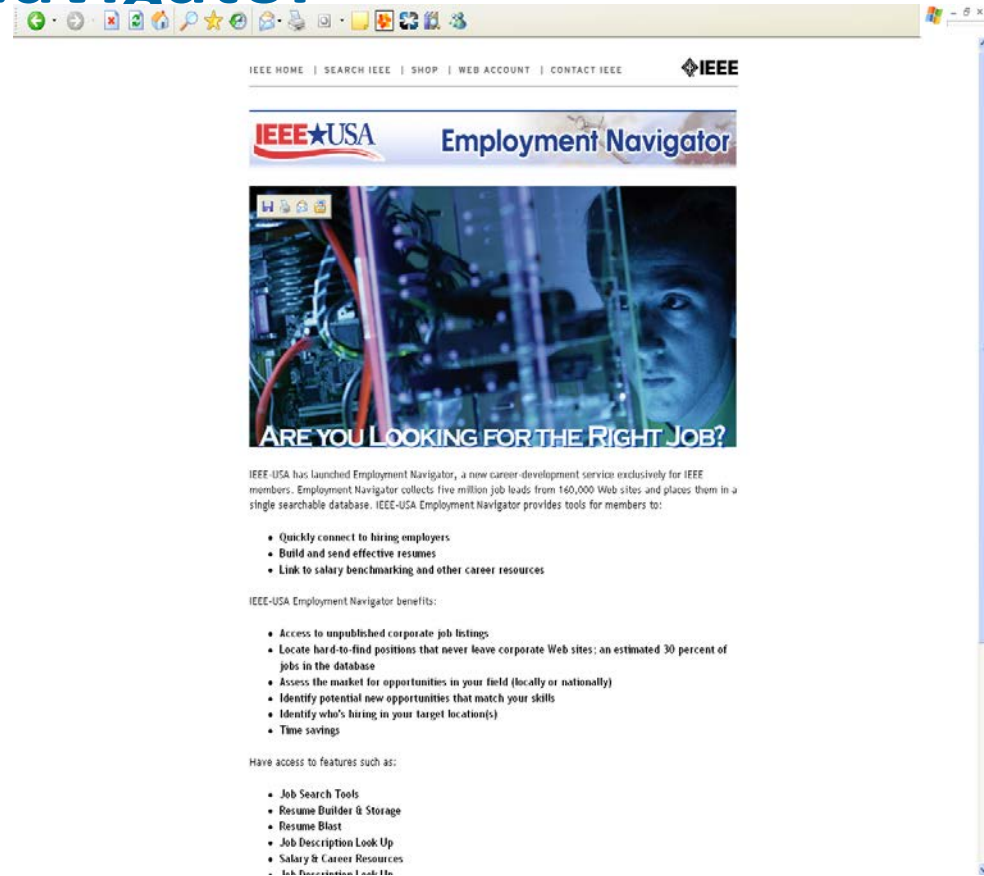

The screenshot shows the IEEE JobSite website interface. At the top, there is a navigation bar with the IEEE logo and the tagline "The Right Candidate - Right Now!". Below this is a main navigation menu with options: Home, Post Resume, Career News, Job Seeker Tools, Career Events, and Member Sign-In. The main content area is divided into several sections:

- Find a Job:** A search section with input fields for "Enter Keyword(s)" and "Enter Location:", a "FIND JOBS" button, and an "Advanced Search" link. Below the search fields are "Browse Jobs:" links for Engineering, Faculty, Technology, By Employer, All Categories, and Internship/Co-op.
- Featured Jobs:** A table listing job postings with columns for "Posted Date" and "Position".
- Advertisements:** A section on the right side of the page featuring promotional banners for "Over 430,000 Members In Over 160 Countries" and "Expand your professional network with IEEE.".
- Click Below to View Employer Videos:** A section with a video thumbnail and a list of categories.
- Featured Company Profiles:** A section at the bottom right listing "California Polytechnic State University" and "Harris Corporation".

Posted Date	Position
April 2017	Assistant Professor, Visiting Faculty, Adjunct Faculty, Professor Emeritus, Faculty on Contract IITDM Kancheepuram
April 2017	Engineering Faculty Positions (Architectural, Civil, Electrical, Interior, Mechanical, Mechatronics) University of Prince Mugrin
April 2017	Quantum Technology Enterprise Fellow Quantum Technology Enterprise Centre
April 2017	Engineers and scientists EPO

EmploymentNavigator

- ▶ Collects 5 Million Job Leads from 160,000 Websites in U.S. but will be expanding
- ▶ Resume Builder
- ▶ Powerful Search Engine

The screenshot shows the IEEE-USA Employment Navigator website. At the top, there is a navigation bar with links for IEEE HOME, SEARCH IEEE, SHOP, WEB ACCOUNT, and CONTACT IEEE, along with the IEEE logo. Below this is a banner for "IEEE-USA Employment Navigator" featuring a photograph of a person looking at a computer screen with the text "ARE YOU LOOKING FOR THE RIGHT JOB?". The main content area includes a paragraph explaining that IEEE-USA has launched this career-development service, which collects 5 million job leads from 160,000 web sites. It lists several benefits for members, such as quickly connecting to hiring employers, building effective resumes, and accessing unpublished corporate job listings. A section titled "Have access to features such as:" lists tools like Job Search Tools, Resume Builder & Storage, and Salary & Career Resources.

IEEE-USA Employment Navigator

ARE YOU LOOKING FOR THE RIGHT JOB?

IEEE-USA has launched Employment Navigator, a new career-development service exclusively for IEEE members. Employment Navigator collects five million job leads from 160,000 Web sites and places them in a single searchable database. IEEE-USA Employment Navigator provides tools for members to:

- Quickly connect to hiring employers
- Build and send effective resumes
- Link to salary benchmarking and other career resources

IEEE-USA Employment Navigator benefits:

- Access to unpublished corporate job listings
- Locate hard-to-find positions that never leave corporate Web sites: an estimated 30 percent of jobs in the database
- Assess the market for opportunities in your field (locally or nationally)
- Identify potential new opportunities that match your skills
- Identify who's hiring in your target location(s)
- Time savings

Have access to features such as:

- Job Search Tools
- Resume Builder & Storage
- Resume Blast
- Job Description Look Up
- Salary & Career Resources
- Job Description Look Up
