Dear Esteemed Colleagues;

The 2019 IEEE Region 2 Student Activities Conference will be held in the beautiful city of Morgantown in the Mountain State of West Virginia, between April 5-7, 2019. SAC19 is sponsored by West Virginia University, the IEEE Pittsburgh Section, and IEEE Region 2.

SAC19 will consist of student competitions, lectures from industry representatives focusing on recent trends, and poster sessions portraying student research in Region 2. This year, SAC19 is offering IEEE student members and Graduate student members the opportunity to participate in an IEEE conference and have their quality work published by IEEE

Student papers are solicited in; but not limited to the following topics:

- > Photonics; Optical Devices
- > Mathematical and Computational Methods in EM
- > Biological Effects and Medical Applications of RF and Microwaves
- > Antennas and Propagation
- > Wireless Communications (5G and Beyond)
- > Internet of Things
- > Wireless Power Transfer and Energy Harvesting
- > Simulation and Characterization Techniques
- > Additional, unique senior projects

Submissions: Submissions must be of original contributions and should not have been presented or published anywhere. Authors of the accepted papers must guarantee that at least one of the authors will attend the conference and present the paper. Paper should not exceed 6 pages following the IEEE format.
