Motion #2

- Authorize the Editor to incorporate the resolved comments from the August 2016 1914.3 TF meeting as recorded in tf3_1608_comments_resolved.pdf and produce draft IEEE P1914.3/D1.2. Editor has a license to resolve conflicts and apply editorial changes as needed.

- Mover: Richard Maiden

- Seconder: Bomin Li

Yes: 11 No: 0 Abstain: 0 (tech. $\geq 2/3$)

(chair did not vote)

(the meeting had no quorum so the motion has to be ratified later with an email motion)

Next steps

- New TF review will be started once 1914/D1.2 is available so that for the October meeting the next review round would be possible.

Thank you!
