

**SC Council of Engineering and Surveying Societies is Requesting Applications for Two Seats on SC State Board of Registration for Professional Engineers and Surveyors
Application Deadline Friday, November 10, 2017**

Governor Henry McMaster has the opportunity to appoint one qualified Professional Engineer and one qualified Professional Land Surveyor to the SC State Board of Registration for Professional Engineers and Land Surveyors with terms beginning January 1, 2018.

Each engineering and surveying member of the Registration Board must be a citizen of the United States and a resident of South Carolina, must be licensed in this state, must have been engaged in the practice of engineering or surveying in this state for at least twelve (12) years, and must have been in responsible charge of important engineering or surveying work for at least five (5) years. Responsible charge of teaching engineering or surveying may be construed as responsible charge of engineering work. The primary responsibility of board members is to protect the health, safety and welfare of the public of South Carolina.

The SC Council of Engineering and Surveying Societies is charged, by law, to make recommendations to the Governor from which he **must** appoint engineers and surveyors to the Registration Board.

The SC Council of Engineering and Surveying Societies is accepting letters of application from Professional Engineers who meet the state's minimum requirements that wish to be considered for the Registration Board position.

The deadline for submitting applications with the SC Council of Engineering and Surveying Society on Friday, November 10, 2017 in Columbia, SC.

The term for this appointment is for a five-year term which extends through January 1, 2023.

The following information should accompany the letter of interest in the form of a resume: education and collegiate achievements, engineering/surveying achievements, professional and technical society activities, civic and humanitarian activities, continuing competence, professional experience, general personal data, and references.
