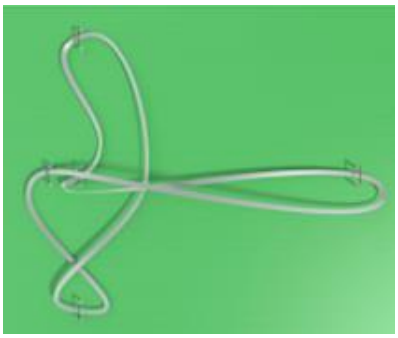
- Race Framework
  - Open MultiGP Race for Beginners and Advanced (Two brackets for individual racers)
  - Open MultiGP Race for University Teams (Six person teams)
  - 800G limit, no prop size or battery size limitations
- Team Scoring - Points assigned based on finishing position
  - Example: 1st place/10 pts 2nd place/8 pts 3rd/6 pts
  - Team / endurance race can be worth a larger sum (25?)
- Teams must supply the following:
  - Vehicles, spare parts and tools
  - Charging Stations for their teams
  - Safe for batteries including damaged batteries
  - List of racers as soon as possible to UAH



- Shown is MultiGP UTT 6 (universal time track)
  - UTT's are standardized track layouts that allow for time-based competition anywhere
- UTT 6 requires approx 110x150 ft and 5 gates
- Gates are **5x5ft**
