IEEE SusTech 2018

6th Annual IEEE Conference on Technologies for Sustainability
Long Beach, CA. November 11-13, 2018

Student Poster Contest - Call for Abstracts

Key Dates	Sept. 15, 2018	Submission deadline for poster abstract
	Oct. 1, 2018	Notification of Acceptance
	Nov. 11, 2018	Final Poster Display During Conference (3PM-7PM)

Students with accepted posters must register for the Student Poster Session and pay a $50 submission fee.

For more information, abstract upload, and registration, please visit http://sites.ieee.org/sustech/

Topics: **Technologies that contribute to sustainability in all applications affecting human life.**

Internet of Things – IOT	Agriculture & Food Technology	Smart Grid
Renewable/Alternate Energy	Water Resources Management	Energy Efficiency
Societal Implications	Intelligent Transportation Systems	Electronics
Quality of Life / Public Policy	Ocean Waste & Pollution	eWaste
Smart Cities	Ecological Sustainability & Conservation	

Prizes:

Prizes will be awarded for first, second and third places as determined by the judges. First place $750; second $500; third $250. Information on the winners will be posted on the IEEE SusTech and IEEE Region 6 websites.

How to Submit?

To participate in the contest students should write a 2-page (up to 500-700-word) description (extended abstract) of the poster, along with authors names, respective university and contact details; and submit it using the SusTech website by the deadline. Contestants will need to prepare a poster of no larger than 48 x 36 inches and on a tri-fold board.

Poster Contest Co-Chairs: Dr. Saeed Monemi ssmonemi@cpp.edu and Walter Iu walteriu@ieee.org
