IEEE vTools **VOTING**

VTOLS ▾ HOME VOTING ABOUT

vTools.Voting is part of the vTools project which is developed and made possible by IEEE volunteers. This application was created to assist IEEE organization units in conducting online elections.

Please sign in to continue using the system. If you need help please [click here](#) to view a tutorial.

Note: Please ensure that you use your IEEE member web account to sign in. If you do not recall your web account information, or aren't sure you have one, you may go to: <http://www.ieee.org/web/accounts> to recover your account information.

You must be signed in to access volunteer's **Ballot Dashboard** options.

Load

Contact staff at mga-im@ieee.org for further assistance.

Cancel

Save as draft

Save and activate

For **help**, send email to mga-im@ieee.org

You may save the ballot as **Draft** or **Save and activate**

Important - When the voter list is loaded to the ballot, the system will also create a **voter email list**.

The **Email** option is available on **Ballot Dashboard – Active Ballots**.

See **Email Voters** tutorial for more details on communicating with the voters using **vTools.Voting**.

Thank you!

IEEE vTools

End of the tutorial

Thank you for viewing the tutorial. Please remember to visit vTools' site (<http://vtools.ieee.org>) to learn more about our projects. If you have any questions regarding [vTools.Voting](#), please email us at: vtools@ieee.org.

Thank you!
